AMBASSADOR

AUSTRALIAN EMBASSY
THE PHILIPPINES

27 February 2019

Mr Fortunato Dela Peña
Secretary
Department of Science and Technology
DOST Building, Gen. Santos Ave, Bicutan, Taguig City

Dear Mr Dela Peña

For over sixty years, the **Australia Awards** have been an important part of Australia's development assistance in the Philippines. Through the prestigious scholarships program, nearly 4,000 Filipinos experienced world-class education at Australia's premier universities and returned to make a difference in the Philippines.

Australia Awards scholars gained valuable knowledge and skills in priority areas of study that helped them advanced their careers and make vital contributions in their fields. Our alumni are enriched by Australia's culturally diverse society and forged strong networks with their counterparts in Australia and the region.

I am delighted to announce that more Filipinos will have the opportunity to experience this life-changing scholarship. We are now accepting applications to undertake **postgraduate studies** in Australia until **30 April 2019** through the website www.australiaawardsphilippines.org. These scholarships will be for studies commencing in January 2020.

As a longstanding partner of the Australian Government, I am seeking your support in promoting the Australia Awards in your organisation. We welcome applications from distinguished individuals who have the potential to contribute to the following priority areas: 1) trade and economics; 2) infrastructure and smart cities; 3) digital economy; 4) peace and development; 5) education; 6) governance and public policy, including civil society and media; 7) natural resource management, including mining and energy, and 8) humanitarian and disaster risk management.

The application process is open and competitive, providing equal opportunities to all eligible citizens regardless of gender, ethnicity and disability. For more information, please see attached brochure.

I look forward to your favourable response. For further inquiries, please do not hesitate to contact the scholarships secretariat at telephone number (+632) 638 9686 or through email address secretariat@australiaawardsphilippines.org.

Yours sincerely

Steven J. Robinson AO
